(b) Press mark (in the case of a pressing factory).
2. Name of the railway station and the railway on which it is situated at which the factory normally receives coal.
3. Normal dates of commencement and date of finishing of work in the factory.
4. Number of bojas of cotton (lint) of 392 lbs. each ginned in the factory during 1948-49 season.
5. Number of bojas of cotton (lint) of 392 lbs. each ginned in the factory during 1949-50 season (upto the 30th June 1950).
6. Number of bales of raw cotton pressed in the factory during 1948-49 season.
7. Number of bales of raw cotton pressed in the factory during 1949-50 season (upto the 30th June 1950).
8. Type of power plant installed in the factory. (State whether steam producer gas, diesel or electric. Give details of gin and press separately).
9. Number of gins installed in the factory. (State whether single double roller or saw gins).
10. Number of half presses installed in the factory.
11. Number of full presses installed in the factory.
12. Tons of coal consumed by the factory during the season 1948-49.
13. Tons of firewood or fuel other than coal consumed by the factory during the season 1948-49.
14. Gallons of diesel oil consumed by the factory during the season 1948-49.
15. Tons of coal consumed by the factory during the season 1949-50 (upto the 30th June 1950).
16. Tons of firewood or fuel other than coal consumed by the factory during the season 1949-50 (upto the 30th June 1950).
17. Gallons of diesel oil consumed by the factory during the season 1949-50 (upto the 30th June 1950).
18. Quantity of coal that the Textile Commissioner recommended that the factory should receive during 1949-50 season.
19. Quantity of coal sanctioned by the Deputy Coal Commissioner (Distribution), for 1949-50 season (give number and date of sanction).
20. Quantity of coal actually received by the factory as a result of items (18) and (19) above during the 1949-50 season (upto the 30th June 1950).

21. Tons of coal purchased by the factory from the market during 1949-50 season (upto the 30th June 1950).
22. Tons of coal in stock on the 30th June 1950.
23. Tons of firewood or fuel other than coal in stock on the 30th June 1950.
24. Gallons of diesel oil in stock on the 30th June 1950.
25. Quantity of (i) kapas (unginned cotton) and (ii) ginned but unpressed cotton actually held in stock in the factory premises on the 30th June 1950 to be ginned and pressed during 1950-51 season.
26. Estimated quantity of cotton (in bales of lint) expected to be ginned and/or pressed during the 1950-51 season (including stocks shown against items 25) by steam power.
27. Estimated quantity of coal in tons excluding the stocks of fuel shown against items (22) and (30) required by the factory during 1950-51 season.
28. Full name and address of the Colliery from which the factory normally draws coal. (For factories situated in the State of Bombay, Madhya Pradesh, United States of Saurashtra and Madhya Bharat Union, coal supplies must be obtained from Madhya Pradesh and Central India coal fields).
29. Full name and address of the middleman (The factory must not nominate more than one middleman if the supplies of coal are 200 tons or less, and more than two middlemen if the supplies exceed 200 tons. In the latter case, if it is so desired, it may nominate only one middleman. If more than one or two middlemen, as the case may be, are nominated, the Office of the Textile Commissioner, will entertain the first named one or two individuals only as required and Deputy Coal Commissioner (Distribution), will be advised to issue sanction in their favour only. If the original allotment is less than 200 tons but the quantity is subsequently increased by additional recommendations no change from the original middleman is to be made).
30. Tons of coal and/or firewood not in possession of the factory but in which the factory has any lien/or interest on the 30th June 1950.
31. If the factory is a member of any pool, name and address of the Secretary of the Pool may be given here.
32. Whether the factory was silent during 1949-50 season and if silent owing to pool, name and address of the Pool Secretary should be given.
33. Has the factory applied before for priority coal for the 1950-51 season? if so;
 1. Quantity applied for, and
 2. Date of application and to whom made may be stated.
34. Has the factory received sanction for priority coal shown against item (33)? If so, what quantity has been sanctioned? Whether the sanction was issued by the Provincial Coal Controller or the Director of Industries or the Deputy Coal Commissioner (Distribution) with number and date of sanction may also be stated?

NOTE.—(1) In respect of fuel figures (*vide* items 22, 23 and 24 above) it is essential that not only stocks in possession of the factory should be shown but also any stocks that it may have a lien on/or that may be held by any of the partner or sister concerns should be shown with details.

(2) In respect of items 28 and 29 the middleman and colliery must not be changed once it has been given as constant changes of the supplying collieries and middleman result in irregularity and delay in supplying coal.

(3) Change of proprietorship of the factory must be intimated to this office immediately the change is made.

(4) In case the factory does not require coal after the application has been made or the recommendation has been issued the factory must immediately telegraphically intimate to that effect to the Textile Commissioner, Bombay. In the meantime any coal which happens to be despatched to the factory should be taken delivery of by the factory without delay and kept in its possession pending disposal instruction. Should a factory which has applied for the coal fail to take the delivery in time, the demurrage charges and other expenses incurred on that account shall be borne by that factory.

Date:

Factory Manager or Proprietor's Signature.
